WR Firm One On-suine, sellers of Gold leaf, was catablished in Bow-see Elecel, of he City of Canton, for a great many years; lenf, bas; and ornaments are warvanted to be pure and can be returned to them Fartish to be pure, and can be returned to them if they are not pure; and this is well known to Foreign Merebants for many years. This firm bitherto bad no branch in any place. But in order to facilitate the community of Hongkong, they have recently established a branch in Bonham Strand. It having come under their notice, that there are evil disposed persons in Honekong, Maczo, and Fuh-nhan who well inferior Gold with the clop of OLD ON-BHING on it, and sometimes mixed with some genuine loaf so as to cheat people. In this way these persons try to cheat the merchants, and also miner the pusiness of Old On-shing. Determined to put a stop to this, the Shop Old On-shing will pay (810) Ten Dollars reward to any person who will give information about the forgers of their chop, or bring all the tools of the forgers, and give information so as to enable OLD ON-SHING to cause these imposters to be arrested and punished. OLD ON SHING. 3ra 722 Canton, 13th April, 1868;

WING-KEE COAL SHOP. HE Proprietor of WING-KER Shop begs to inform the Public that his Shop had been catablished since 1855, at Endicett's Lane, and that he has always a great quantity of Best COAL in store for Sale. Gentlemen or Shipmasters wishing to patronise him, are requested to apply at his Shop. 1y 401 Hongkong, 27th February, 1868.

This applicant will be an important Junction, and passengers will change carriages for Jumalpore, Moughyr, a liable Bhaogulpore, Rajniahal, and so on down to the liable of the street accommodation will have to. Burdwan. Station accommodation will have to. ividual, he provided; at present it is merely an ordinary of the road-side station. The Kurmarhales coal-fields are estuated about til miles in a direct line from this place, and will be worked as soon as the line able to isopened by a branch inconnection with the chord master. line. The coal in these fields is very valuable. is the and is the property of the Univery Company. It y Mr. is much superior to the Rance sunge cont-owing ives the to the difficulty of carriage in the present state LVII— of affairs, it has not been largely used, but the completion of the line to the collieries will endble the Company to work independently of this Remorgange taines, and they will gain, not only in the cost of the mineral, but in the saving in the distance it has to be carried-a matter of wearly 40 miles, if required for the north-west. After leaving Luckeespraithe call crosses this t under river Kheenl-a large girder bridge-and für iven, if some miles is carried over a high contankment chick he with large fixed openings at close intervals, iscribe. This district is liable to very heavy insudations, the Con-lity and the occasion of one very high flood, when the part inches of rain fell in 24 hours, it was found ships, or necessary to lead some of the smaller opening time tip- with rails, to prevent the immerse pressure of lings, in water from bursting the bridge arches up from doubted underneath. The banks bere are very substana botter | tind. the slopes at some places being as much as question I in 7. After a heavy down pour of rain, the further whole of the country to the worth of the line in one immense hady of water, which would jeopardise the railway banks if it once rose bigh enough to top it, but the waterway is very ample. Dimpoor station, 400 miles from Calcutta, Thorna I is reached at 3 to rear, and it will be requisite for the traveller either to take an early dimest here, or wait till be reaches Mogal Scrat to geta late one at 10,8 P.M., as there is no midnion rest | way refreshment on the way, except Hazar. against where only tea and coffee are provided. Dinapour his right is a large military station for Buropean troops, nte form and the contomouts are about 3? miles from the railway. There is an excellent rand, and carringes and palkees in plenty. As the land in the vicinity of the cantonments is low, and subjects to inundation, the Railway Company bud to erect their premises where they ariw I of the stand, an other spot being available of the required dimensions. ralett At about midway between the stations of Bihta and Arrah, or about 17 miles above Dina. poor, the line crosses the river Sonne. This is a very large river, nearly dry in the months of Morch and April, but during the raise if carries off the drainage of an innuence track of country, and councilines rises 20 feet in a few hours. The bridge over this large river is one of the finest in India. The piers are of brick reating on foundations of wells, aunk many feet through the saudy strutum till they rest on the chy subsoil. It is nearly a mile in length and the piers are constructed for double line of rails. a mike At Busar the passenger one procure ten and coffee, and broad grid lighter only; the train stays here 20 minutes, and then leaves, and there is nothing of interest much till Mogui Soral is reached. At this station passengers interfere change carringes for Bemaces, which is distant six miles only, and is reached by a short branch. ever there Mogul Serai is a first class station, as also are. cay diver. Jumalpore, Burdwan, Dinapoor, Mirzapour, Benares is said to contain appeards of 700,000 on deli- inhabitanti, chicky Hin loon, and is therefore vill pre- one of the largest cities in India, but it is out eldelay in of the route the Bombay traveller goes. At a distance of twenty miles from Mogul Berai, tho line passes within a mile of Chunar, where in a large old fort still in good preservation. it standa on the summit of a detached hill, and overlooks the Ganges. It is only used as a depot and State prison. There are a few European troops quartered in the fortus grant and Chunar is the residence of a namber of old pensioners of the Company's Army, who on their slender pittance contrive to ske out an existence bere. As it will be midnight when Innoiaiva the traveller passes this place, he will be unable. to see whatever of interest there is. Change is fautous for its stone quarries, and for miles round, stone being so plentiful it namps the place of wood in other localities. Even the boudes of the poorer classes have stone posts. and in those of the better classes stone is the chief material. Walls, shoving, and roof being forth the entirely of that easily-procured article, and in the Yamen many instances the beams even are stone. The Telegraph posts in the North-West are mostly of stone now, as the most durable. Nineteen miles from Chanar and 574 from Caloutte, the line phases close to Mirzapone. This is the largest cotton murt in the Northecount of West, and is also famous for shell he and laclpore, at dye, and a large quantity of country produce is sent down from here by rail and river. There are several factories bent for the manufacture of shell he and ha dre. The stick has is brought from some distance inhand on pack buland we locks. The city of Mirzapoor is considerable, though not so large as Bounros. It has been Calcutta | much improved of late years by the energetic Howrah, action of Government officials, and there are me hours. | several fine stoneghauts and temples to be seen road after on the river side; there bave been erected interest e country | the expence of rich natives, and the style of atfirst class chitecture is entirely native. In former times "aleeping Mirzapore was the starting point for travelng journey lers to Jubbulpore, jonger, and Nagpore, and the vehicle antil the Jubbulpore line was finished, the Burdwan route was from Mirzapole by dak. There is a good Government read still used by carry, between Miranpore and Jubbulpore, and there fatance of was then an hotel for the accommodation of be Khanoa passengers who stopped here en route to Jub. hulpore. This horel has been clused, as pastruction, is ing carriages there, proceed direct to Jubbul-keesersi, it pure from that place. Half way between Mirzapore and Allahabad ed for local the line crosses the river Tonse, on a large oods truffe: girder bridge, and after passing Nyneo, the junction of the Jubbulpore extension, the and opera- Allalabad bridge, crossing the river Junua is ist only the reached. This magnificent bridge, though not buildings so long as the Sound, is yet more worth seeingde. It was It is nearly completed, and looks very grand. ald do, as it The piers are stone; beautifully finished, and as orders came solid as rock; they are much more lotty than Ed it was the Soune Bridge Piers, as the river rise is will remain much greater here.

Allahahad before the Mutiny was not a large ached Teen station. Like namy in the North-West it was Raimehal garrisoned with native troops and a few Euroginally the pean Artillerymen. After the muting, teming crossed porary burrocks were knocked up for troops:
calof traffic but these are now being replaced by a stopena. But the does line of very fine buildings, capable of congange, and taining three or four regiments of soldiers. a some dis- These are all built with the latest improvements, in buildings and accurry a large space of ground, about ! ppears now miles from the Railway station. The are nearly studied in | Enished, and will be us fine a range of barricks is construct for the Buropean soldier as any in India. Natfur distunt are the new buildings in course of al country, tern Provinces. The Railway station is situa-Pergunnaka ted at a new portion of Allababad, styled Caner Pointee, ping Town, and is distant from the fort alsart the country three miles. The whole of Canning Town is new since the Mutiny, and is now mostly built, ent vofresh. over with fine large bouses, the rents of which n the morn- | are bigh. good "chote Canning Town extends from the Railwayamalpore at station to the fort, and has increased the size . comfortably, of the place very considerably. The roads are broad and well-constructed, but are, very dusty Sahibgunge during the bot weather, and they are so exg to any one tensive that it is not an easy matter to get them the of time. properly watered throughout, so that evening the hills, fold drives are often attended with the discomfort byunge pas Allahabad is well supplied with that valuable orreg, which commedity as welcome in the hot weather. at stretches There are two machine-making ice houses, and ginally com- a depot for the sales of American be at 3 annas al from up the seer. The machine people only charge 2 annas, and many prefer their ice to the Ameblack mail" but a mile in rican, as not only cheaper, but as fasting quite constructed as long. strong gate The Calcutta train which left Howish at cist, and can 8-13 P.M., arrives bere at 3-23 P.M., after 81 ruins of one bours of a run. The Jubbulpore train leaves nt on the hill Allahalad on the following morning (or duly) in. The line 0-10. In the interior, for the traveller there is a corious are the spacious refreshinged and retiring ort, it passes rooms of Kellner, as well as first class waiting at gate stood, rooms. There is also an hotel within a short rve of a mile distance of the station. A visit to the Fort is n gate as it worth paying. There is a large assenal and e gates exist other sights worth inspecting. The Khosmo. on the track. Bagh (garden) is worth visiting, too. It conthe Ganges tains the tombe of two Mahamedan princesses a change in and the Begom of Johangir. These gardens r it fully five are used frequently by the Coming town reardenta for picnics, &c.

The train to Jubbulpore which leaves ut 6:15 a. Many of A.M., is a mixed train of 1st. 2nd, and 3rd chiss
